#### **EGAP Accomplishments, Activities**

- Developed EGAP as an Effective Organization
- Worked with City to Avoid 12% Water Rate Increase
- Facilitated Ag's Inclusion in Escondido's Economic Strategy
- Created Website and Constant Contact Process for Outreach
- Partnered with University of Riverside on Recycled Water
- Proposed Ag Service Level and Need for Strategic Water Rate
- Facilitating a Win-Win Investment Dialogue with the City
- EGAP Avocado Economic Analysis John Burr
- Developing Clearer Picture on Ag Economy and Impacts

## Why Support EGAP Return On Investment!

- Look What We Have Already Accomplished, Plus...
- Increased Water Independence Through Recycled Water
- 100% Disposal Solution for Wastewater
  - No \$300 Million Outfall
- Retaining the Multi-Million Dollar Ag Business Sector
  - Trucks, Equipment, Food, Farm Stands, Fertilizer, Irrigation
  - Packing Houses, Banking, Legal, Doctors, Fence Companies
  - Consultants, Wineries, Vineyards, Brewers, Lumber Stores
- Escondido as an Agriculture Center and "Island"
- Ag Economy Lifestyle and Environment (Carbon Footprint)
- Escondido as a Case Study for Other Communities

Ask yourself how many other organizations have provided tangible results in saving you significant money on your water bills, while also offering up a sustainable water plan (toilet—to—tree) that is unique to Southern California Cities and is a picture of a "green solution" to water shortages?

"Ain't nothin' to it, but to do it!"

Why would you not be part of an organization that can truly make a difference in our community, schools, economy, lifestyles and long term economic business viability?

Where else could you make such an impact? This is your grassroots organization that can make things happen with your help! Let's not allow a golden opportunity to pass us by!

"Ain' t nothin' to it, but to do it!"
